Behind Closed Doors

Discovering the shocking kinks & fetishes of girls-next-door.

Featuring: *Julia*

Age: 19
Height: 5'4"
Weight: 90 lbs.

When we asked Julia if she likes anal, she had one of the best responses we've ever heard. "Fuck, yeah. It's even better if it happens during double penetration. That can be with two guys, which is fantastic, or with a butt plug or dildo." She went on to say, "I love it when two guys lift me up in the air and fuck both of my holes. That shit will make my pussy squirt. It makes me feel like a fuck puppet."

Job: Student
Age: 18
Birthday: January 29
Height: 5'2"
Weight: 120 pounds

Bra Size: 34C
Panties: Cotton
Anal: I like it
BJs: Swallow
Masturbate: Once a week

Lola Li is a fresh-faced newcomer with a lot going for her. First, she has braces. Who doesn't love a teen with braces? Second, she has a thick bubble butt that jiggles as she walks. Finally, her tits aren't too big or too small. They're just right. "I don't dress sexy a lot. I'm kinda shy," Lola told us. "Multiple guys, when seeing me naked for the first time, tell me that they didn't know I have big boobs. I think I give off the vibes that I'm very small and delicate. The truth is, I love to fuck, but it takes me a while to open up to guys because of my shyness."

When she's not going to class or studying in the library of her university, Lola told us that she likes going to movies, crocheting, cross stitching, ice skating and watching her boyfriend while he games. "He's so intense and takes it so seriously. It's fun to watch because he's pretty good," Lola explained. "But sometimes, after a couple of hours, I can get bored. To get him to pay attention to me, I'll strip totally naked. That usually makes him put down the controller."

Watch Lola's toy show at NaughtyMag.com

"My ex was the first to take naked pictures of me. Of course, I had to convince him to do it. He never wanted to do anything fun, sexy or kinky. He just wanted to read all day. When we did have sex, we only did it missionary or on our sides. I don't know what I saw in him. My new boyfriend will do anything with me. I got to be on top for the first time with him! He also took my anal virginity when, after cumming a bunch in cowgirl, I gripped his dick and slid it into my ass. That was just for a minute, though. We tried later with plenty of lube, and it was great."

Keep your eyes peeled.

"I haven't done every sex thing I want to try, but I've done a lot. I recently had sex in a car. It was nighttime, and we were outside the city, but it was still a thrill. I want to do it somewhere more daring and public next time."

When we shot Annalena's scene, she had only been having sex for a year. So, what was this babyfaced blonde college girl doing instead of fucking? She was practicing her diddling skills, and she got good at it. Sophie is a former ballerina. She's lean and sexy, and although she doesn't finger herself, she does spread her strong, smooth legs wide to let you see her perfect clamshell. Payton, on the other hand, is a slut who can't get her pussy filled enough. In fact, after she spreads her pussy lips and asshole, she breaks out her favorite toy and slams herself until she starts to cum. She even double penetrates herself with her vibrator and fingers.

OUR MONTHLY SHINDIG OFFERING SEX TIPS, TRICKS AND A HOST OF SEXY CHICKS

What's Sploshing

It's been around for decades, but with the rise of private chatrooms and OnlyFans, sploshing is really having a moment. Also known as wet and messy fetishism, sploshing is the act of getting food, mud and other types of viscous goo slathered all over a body. Some splosh clothed, but most sploshing is done in the nude. Some sploshers, as they're sometimes known, love the sensation of having their naked bodies enveloped or smeared with pies and cakes. Others simply enjoy watching the action, preferring to keep their bodies nice and clean. Interestingly, cake sitting, the act of sitting down on top of a cake, and perhaps the most well-known version of sploshing, is considered by some fetishists to be a separate kink or a sub-kink.

Would you like to join her?

Do you want to just watch?

Does this hottie look better with cake on her toes?

Revenge!

Police in Sweden couldn't prove that a man purposely let loose a huge, smelly fart in a woman's apartment after she changed her mind about having sex with him. The woman, who invited the man over for the purpose of sex, reportedly had a change of heart. We've all been there, right? But, when she asked the man to leave, she claimed in a police report that he became disgruntled. On the way out, he let a big one rip, and she claims it was revenge for the cock block. "It smelled awful," she told the police. She asked for the man to be charged with harassment, which in Sweden could warrant a fine or even up to one year in jail, but he escaped the charges.

Stop farting! You're under arrest.

Hilary

Moscow, Russia

"I'm not allowed to wear revealing clothing, have a boyfriend or ride in cars with boys," Hilary told us. "My curfew is 9 p.m. and my parents want me in bed by 10 p.m. It sucks. All I can think about is breaking free and living my best slut life. That's why I called you guys. I want to feel sexy, beautiful and not weighed down by what my parents tell me to do. I want to have fun!"

We gave Hilary her choice of outfits to wear, and she chose this one. We asked her why. "I'm a fan of lingerie. I don't have any of my own, but my sister does, and sometimes I'll steal hers and look at myself in the mirror. I love the way it looks and accentuates my body. I have curves, and I think they're sexy. So, when I saw this see-through negligee that clung to my body, I thought it could be sexy. I chose the thong because I've never worn one before. I've always wanted to."

Because Hilary is young and sounds inexperienced, we asked her how much sex she has had. "Not a lot, to be honest with you," she replied. "I'm not a virgin, but I might as well be. I've only been with one guy, and we've only fooled around a little bit. We've had sex a handful of times, but we've been interrupted every time. Neither of us have our own place, so we have to do it outside in parks. I'm going crazy about not fully enjoying sex. I want it so bad it hurts."

video will be coming

All it takes is practice.

"I recently gave my first blowjob. It was alright. I was having a lot of fun, and my pussy was going crazy with a cock in my mouth, but then the guy started thrusting, which made me choke. I'm not ready for advanced stuff like that."

contined from page 26

It never hurts to ask.

A man only known as Brian from California conducted a social experiment in Holland, asking 200 women in one day if they wanted to have sex with him. He filmed it for his YouTube channel. His usual line was, "I thought you were cute. Would you like to have sex with me?" The most common reaction to this question was laughter, followed by a response of "Are you serious?" Then came the shockingly polite nos. A few of the women reacted angrily, insisting that it was an impolite question. One threw water in his face. Another told him to ask her friends because she is a lesbian, saying, "I don't like dick. I like pussy." Brian didn't take the rejections or the threats of violence too seriously, and shockingly, he succeeded with one woman. When propositioned bluntly, the Dutch woman responded with a bashful, "Uhh… yes. Now? Why not?" The happy partners then walked to Brian's nearby hotel room. It takes a lot of balls to put yourself out there like that. Congrats to Brian for his silly, ridiculous achievement.

"You're too cute. Wanna fuck?"

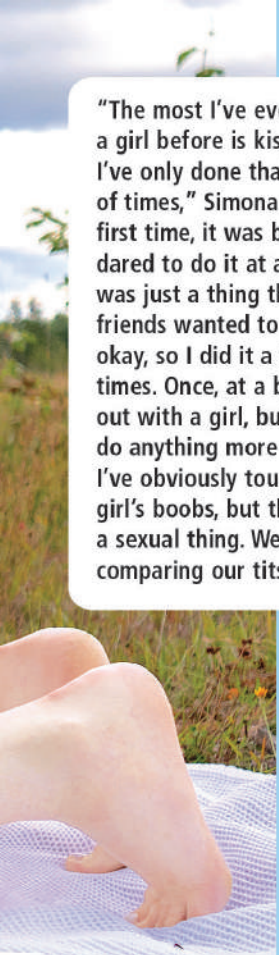
Simona & Margo

Poppin' her lezzie cherry

Margo, 19, the adventurous girl with straight hair, returns! In ***NN3003***, she brought her friend Erika with her for some beachside lezzie sex. This time, she has Simona, whom we interviewed after the photoshoot. "I'm friends with Erika and Margo," Simona told us. "I knew that they hooked up occasionally, but the fact that they did it on-camera kind of made me feel like I was missing out. I've never had sex with another girl. I decided to give it a shot."



"The most I've ever done with a girl before is kissing, and I've only done that a handful of times," Simona said. "The first time, it was because I was dared to do it at a party. It was just a thing that my guy friends wanted to see. It was okay, so I did it a few more times. Once, at a bar, I made out with a girl, but we didn't do anything more than that. I've obviously touched another girl's boobs, but that wasn't a sexual thing. We were just comparing our tits."

"Even though I've flirted with the idea of being with another girl, I always just excused it as a horny thought," Simona went on. "Like, Margo has flirted with me for a long time, but I had a boyfriend the entire time we've known each other. And, I thought I was completely straight. But he and I broke up a few months ago, and I wanted to experience something new. I asked Margo if she'd help me out, and she jumped at the opportunity to take my girl virginity."

Watch Margo and Simona tongue, fuck & finger at NaughtyMag.com

Well, how was it?

"It was simply amazing. Like, Margo knew how my pussy worked immediately, unlike every guy I've been with. Her tongue was soft and strong. Also, her pussy tastes different than mine, in a good, fragrant, intense way."

Ava

Los Angeles, California

Does Ava like older cock? What does it look like? Ava is just 18, and the guy she's sucking and fucking is 45. "He's definitely the oldest guy I've hooked up with," Ava told us, giggling. "I think the oldest guy before him was, like, 23. I know I look young, so I think older guys are afraid to approach me. When I go out dancing and I'm dressed a little sluttier, I can tell that guys are looking at me and wondering if I'm old enough to fuck. I think it's hilarious."

"I usually wear thongs, but boyshorts look cute on me, too. I have a pretty nice butt. That's what I've heard from guys, too. I don't wear underwear to bed, though. I prefer either loose pajamas or to sleep completely naked. I have a lot of sex dreams, so I like having easy access to my pussy. I have a nightstand drawer full of toys and lube, so when I wake up alone and horny, I roll over and grab one of my dildos or a vibrator."

"I've hooked up with girls before. It's so much fun! I've done it twice. The first time, we did it standing up. We were making out, rubbing our tits together, licking nipples and fingering each other. I was pretty proud that on my very first try, I made another girl cum. I'm pretty easy to get off, so she made me cum three or four times. The second time, I got to taste a pussy. That's not really my thing. I prefer the taste of dick and cum. Plus, dicks feel better than fingers."

That's certainly doable.

"I feel like a kinky person, but I haven't done all that much. I've never done bondage or BDSM or anything really dangerous. My biggest fantasy is tame. I just want a guy to bend me over unexpectedly and fuck me from behind."

Molly

Los Angeles, California

MORE MAGAZINES: WWW.XSAVA.XYZ & WWW.SPICYMAGS.XYZ

Molly is a stunning redheaded MILF who was born in Australia. She's a divorcee and mom, and she told us that when she masturbates, she uses "two toys. One is for my clit and one is for my pussy." So, in other words, Molly knows how to get off. We paired her up with a stud, 27, young enough to be her son. "He's not the youngest I've ever had," she told us. "The youngest was 20, and he was brave enough to approach me."

Molly is a fan of the Australian national cricket team. She also enjoys cooking, cycling, running and taking rides in fast cars. "If I ever meet a guy with a McLaren, I'll offer to suck his cock while he drives. I love those cars so much," she said. We asked Molly if she has any fetishes. "I haven't been introduced to any, but I'm looking to find some. I'm very open-minded. I have some lines I won't cross, but I'm always willing to get people off."

We ask most girls in our magazine what their biggest sexual fantasy is. Molly had a good answer. "I want a 10-guy gangbang. The idea of having a big cock in each of my holes sounds mindblowing. Having my pussy fucked is heavenly. Anal is awesome. Plus, I love sucking cock. So, putting them all together, with other guys waiting their turn to step in, sounds like a dream. I like to imagine what my pussy would look like with 10 loads dripping out."

It's just a number.

"I like younger men, but I still enjoy the company of men my age. I was married for a long time, and now I just want to have fun. If you're into adventure and good sex, and if you have a big cock, age doesn't really matter to me."

BLOCK PARTY

continued from page 34

Tech is ruining SEX.

It's a lazy, cliched joke that women love shopping. Husbands complain, wives roll their eyes at the accusation and it continues on and on. No matter how true it is, all married blokes are in this boat together right? Well, one Chinese man has it worse than almost any of us. His wife set an alarm for midnight to alert her of the biggest online shopping day of the year in China, Singles' Day. When she reached for her phone to begin shopping, she neglected to inform her husband who happened to be balls-deep in her pussy. With a twist, he pulled out and shouted in pain. Although they inspected his unit and it appeared to be fine, the next morning it was swollen and purple. He recovered after an uncomfortable and awkward hospital visit.

"I thought she said she was hot and ready."

This unfortunate story illustrates a bigger problem facing society. Tech

is ruining our sex lives. On average, people check their smartphones over 100 times a day. And, shockingly, seventeen percent of women and 7 percent of men have checked or would check their phones while having sex. Sarah McConomy, COO of SellCell, the authors of the survey that found these numbers, says that it shows that some people have a deeper intimacy with their phones than with their partners.

The sex gap in these findings is quite telling, and you could assume that women are more addicted to their tech. However, it could be that they just aren't enjoying sex as much as men. Or, they have more business to conduct via their iPhones or Androids and can't relax until they deal with it. The same survey also found that 71 percent of people spend more time mindlessly scrolling, watching, gaming and reading on their devices than they spend with their partner. Three-quarters of single respondents reported that they spend around half an hour on their phone during dates. Technology, particu-

Tess

San Diego, California

College student Tess fancies herself an artist. She spent 20 minutes checking out our camera equipment before her shoot. "I'm a photography nerd," she told us. "I also like to paint and write poetry, but my passion is photography. I grew up with old film cameras in my house, so I still prefer using them over digital. It's a pain in the ass to get the film developed, though."

"In my freshman year in college, I was dating this guy from my dorm. He was cute and dumb, and he had a huge dick. It was imposing. I had to use two hands to jack him off. He could last a long time compared to the guys I fucked in high school. Anyway, he asked me for nudes. I ended up taking them on film, developing them in the dark room on campus and giving them to him in an envelope. He told me that I was the only girl to ever give him nudes like that. I told him that I'd better be! It was a ton of work."

"I'm not really seeing anyone at the moment. I'm more into casual sex right now. I've bounced back and forth between relationships since high school. That's why I took the opportunity to pose naked. I figured no guy would be cool with sharing his girlfriend or watching her fuck someone on-camera. Well, maybe some guys, but I haven't dated someone like that. So, here I am. I'm unattached, and I've always wanted to be a model. I hope your readers like me."

Gia

Miami, Florida

Gia Jones was born in Peru but now lives in Miami. She arrived at our studio and was beaming with smiles. "I'm here for the interview," she said. "We do our interviews in the nude," our videographer told her as a joke. We usually do one thing, then the other. "That's fine," Gia replied, whipping off her shirt. "I was getting kind of hot anyway." That tells you exactly what you need to know about Gia. She's horny as hell and willing to get naked at the drop of a hat.

We noticed that Gia has a cute, perky pair of tan-lined tits. “Thanks,” she replied when we told her that they looked terrific. “I like my boobs because they’re not too big and not too small. I wish I had massive ones, but then they get all saggy when you get older. No, thanks. I’ll keep my B-cups. I also like my pussy. I think she’s cute. But I don’t like other pussies, just my own. I’m not down with getting it on with other girls. I’m a man-loving woman.”

"When my parents aren't home, I'll go skinny dipping in our pool. I sunbathe out in the back yard all the time. If I'm really horny, I can hold myself up on the pool wall and use the water jet to get myself off."

"I'm not very adventurous when it comes to sex, but that's because most of the guys I've slept with didn't have any imagination and just wanted to get off," Melanie told us. "And it's not like I'm not a sexual person. I'm very sexual. I just want guys to be the ones to make the moves. I'm submissive in that way. If a guy actually suggested something fun, put effort into it and made sure I was getting off, too, then I would be game to try just about anything."

Melanie gets a creampie at
NaughtyMag.com

"I've had some sex with guys who were good. That's how I know that most guys are shitty. I had one guy where I just let myself go completely. I really got into the fucking. He was big and strong, and I figured he would jackhammer me in one position and I'd have to fake an orgasm, but he was surprisingly gentle, even when he was picking me up and moving me to a different position. It was intense. He gave me a huge orgasm and a couple of smaller ones."

Take aim, gentlemen.

"I love to get facials, but only from a boyfriend. That's not something I would let a casual hook-up do. It's because I feel like when I get a facial, the guy owns me, and that's special. It's not for just any rando off the street."

larly smartphones, is pulling us away from human connection, even when sex is on the line.

Many neuroscientists who study tech addiction recommend that if someone thinks they have a problem putting down their mobile, they should recognize it and implement a plan to cut way back. A popular suggestion is to cut back gradually, starting with ten minutes a day. This means that the person won't be setting themselves up for failure by attempting to quit cold turkey. Another helpful option is to return to the days of using an alarm clock and keeping phones out of the bedroom entirely.

SIZE sometimes matters.

Researchers from UCLA in Los Angeles have answered a question that every guy asks and probably already knows the answer to, albeit secretly. Is it always better to be bigger? Well, the answer probably isn't what you expect. Forty-one women were presented with 3D models of dicks, 33 in total. They ranged from short and thin to long and girthy and everywhere in between. The smallest was four inches long with a circumference of two and a half inches. The largest was eight and a half inches long with a circumference of seven inches. Then, the women were asked to choose the size they preferred for a one-night stand and the size they would prefer for a long-term partner. Interestingly, the women's preferences for length stayed almost the same in both scenarios. However, the women all picked skinnier, less girthy cocks for long-term satisfaction. They unanimously chose the thick units for casual flings. What is perhaps the least shocking finding is that almost every woman vastly overestimated the lengths and girths of the models they were choosing. So, size does matter, but if you're not packing a monster in your trousers, you can still give your girlfriend or wife at home a lovely evening. **NN**

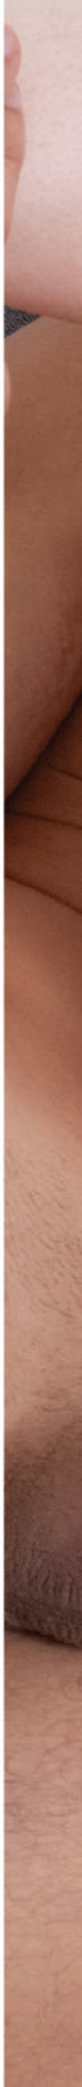
Lilibet

Denver, Colorado

We introduced you to Lilibet in our last issue. There, she put her legs behind her head and fingered her tight, luscious pussy. It was such a commanding performance that we had to bring her back. This time, we paired her up with a new stud. "I've made and sent nudes to guys before," Lilibet told us before this shoot. "But having a photographer, a stranger, just a couple of feet away from me as I masturbated was a new thrill. I can't wait to fuck for y'all."



Lilibet is a freshman in college, so we asked her if she's hooked up with anybody since she started. "A little bit," she told us. "I fucked a guy on day one after orientation. I was part of a big group, and people kept splitting off until it was just the two of us. We went back to his dorm room and had a quickie. It was okay, but the guy caught feelings for me. He won't leave me alone! Like, I don't want a boyfriend. I'm just getting started. I want to get out there."

"I have to hide a lot from my roomie. She's really nice and very sweet, but I think she's sheltered and naive. I tried to put up a self-portrait painting I made of myself, and she was all passive-aggressive about taking it down. She was uncomfortable because it was a nude figure study. I knew that if that offended her, she would be terrified to see all of the porn on my laptop. It's all gangbangs, bukkake, anal, BDSM and fisting."

Cum connoisseur.

"My favorite place for cum is on my tits. It's so sexy to feel those hot spurts land. Facials are only good if the guy takes care of himself and his cum smells and tastes good. I could tell your stud was healthy as soon as I sucked him."
